# The Jackson Christian Family

Greetings,

Schools are typically known for one particular trait. Some are defined by their campus aesthetics, others by their historical contributions, and others by a particular program. Unfortunately, most schools are known by one of their co-curricular activities: basketball, football, theatre, band, etc. A school's success in one of these areas serves as their identity marker. However, when I think of Jackson Christian, my defining thought is **family** – a special group of individuals who have locked arms in the eternal endeavor of leading their children to Heaven.

Last year, under the leadership of Blake Beckham, we launched the Jackson Christian Family Fund. As always, this family stepped up with generosity, raising just under \$145,000 with 381 families/individuals making gifts. Our entire program benefited from this great generosity.

I would be amiss to not mention that we had 100% involvement from our board of trustees, administration, faculty, and staff. These individuals reinforced their commitment to this mission through their sacrificial giving.

I sincerely want to express my heartfelt and personal gratitude to all who participated in this giving effort.

Dr. Mark Benton  
President, Jackson Christian

*"On behalf of the Jackson Christian High School and Middle School Drama Department, I want to thank the contributors to the Jackson Christian Family Fund. Because of your generous support, we were able to replace our out-of-date wireless microphone system. This was a big boost to the quality of our productions and another example of what can be done with such a concentrated effort of giving. Thank you to all of those who have made the decisions to give so graciously."*

*“One of my top priorities since becoming the Jackson Christian Director of Bands has been upgrading the quality of the concert wind and percussion instrument inventory, as well as the marching brass inventory. The Family Fund has provided the means to make many of these upgrades. The Family Fund plays an important role in the growth and improvement of our band program. It is meaningful to be able to focus on the development of the students rather than fundraising. Our band students appreciate the quality of instruments now available to them, and they are achieving at the highest level.”*

Jack Mallard - Band Director

*"Thanks so much to the Family Fund for the elementary playground makeover. With the drainage system in place, we can play outside most days – even after a big rain. Making it larger is wonderful for those children that want to play football or baseball. We love the gravel and the shade. All of our classes have two recesses a day, and it is great to have a wonderful place for them to play."*

We have been blessed by the gift of a new surround sound speaker system in the weight room, as well as additional lockers for our student-athletes.
